EDUCATION

TU Delft | 09.2017 - 07.2019

MSc Architecture, Urbanism and Building Sciences | *Graduated Cum Laude*

Wide range of design studios and research modules including Dutch and Global dwelling design, theory thesis looking at the spatial impacts of industrialised dairy farming and cross-disciplinary module with policy design and planning on social inequality in the city.

University of Liverpool | 09.2011 - 07.2015

BA(Hons) Architecture | *First Class*

Modules covered history and theory of design, structure and practice. Design studios ranged from the design of a primary school, to children's library, graduating with a proposal for the reinstatement of a local train station within a developing cultural quarter of Liverpool. Graduated with 1st prize review of examination work and award for the best set of rendered drawings.

Exeter School of Art | 09.2010 - 06.2011

UAL Diploma in Foundation Studies (Art & Design) | *Distinction*

Formational year of experimentation in a variety of media and disciplines, from photography to fine art to ceramics. Specialised in 3 dimensional design, making maximum use of the workshop facilities to create a large timber sculpture exploring the relationships between mathematics, music and built form via the golden ratio.

Higher Education | 09.2006 - 07.2010

A Levels | A*AA

AS Levels | AC

12 GCSEs | A*-B

EMPLOYMENT

Hayhurst & Co., London | 10.2019 - current

Part 2 Architectural Assistant

Varied projects including consultation and options appraisal work for housing estate renovation and remodelling and extension to listed water mill conversion.

Prewett Bizley Architects, London | Summer 2018, 01.2019

Part 1 Architectural Assistant

Six weeks summer work, followed by continued freelance work for committed passivhaus practice. Stage 0-1 design options, plans and visualisations for the renovation of a small museum and introduction of three dwelling units. Plans, 3D and visual manipulation for one-off rural residential project.

Architype, London | 09.2015 - 05.2017

Part 1 Architectural Assistant

I worked on a variety of housing, educational and cultural projects across all RIBA design stages. I worked most extensively on an SEN school project, from feasibility to completion, as well as plans and elevations for a 250 unit housing scheme and stages 2-3 for a densely urban secondary school in Tower Hamlets.

Kensington Taylor Architects, Exeter | Summer 2014

Two weeks work experience followed by one month paid placement between BA2 and BA3. I worked on the feasibility study for an industrial development for the local authority.

EXPERIENCE | *Outside Practice*

ARGUS Student Board Member | 2018 - 2019

Nights of Philosophy working group. We explored the theme of the post-anthropocene via a series of experiential and participatory walks in and around Delft.

RTU International Summer School, Latvia | Summer 2016

A two week architectural summer school course, where we co-designed and built an architectural event space using local timber.

Hello Wood Summer School, Hungary | Summer 2016

Architectural summer school run by Hello Wood architects building architectural installations exploring the notion of settlement.

Volunteer, Highgate Self-build Eco Classroom | 2016 - 2017

Learning traditional building techniques, practices and friendship forming through helping with a hand-built, crock-framed outdoor classroom built using locally sourced and recycled materials.

Volunteer at HPBC | 2012 - 2015

Volunteer-led live construction work, helping a charity which provides affordable housing in Liverpool through self-build.

Article 25 Student Chapter | 2012 - 2015

Fundraising, design competitions and awareness for Article 25 - emergency shelter relief for those most in need.
